I really don't think I need to introduce myself again. SIRT 1-5 covers the basics. This is SIRT 6 and it covers the second attempt on my life by Randy Wambolt and Wayne Oickle of 98 Union Street that occurred over a 2 week period from Feb 22nd to March 5th.

I am being treated so abhorrently, with hostility, shouting down, public humiliation and intimidation so severe I no longer believe it is a SIRT matter as I no longer consider it misconduct. Some RCMP Constables are engaging in criminal intimidation of a dying rape victim - to conceal their own contempt for and refusal to help those they perceive on welfare. I am not on welfare.

The RCMP are knowingly leaving me to be killed by the tenants of this building and the RCMP won't so much as record what I say is happening to me. Too many Constables, and one detachment staff member, have used exactly the same phrase : "You've been told Randy Wambolt is a civil matter, your landlords are responsible for it."

Randy Wambolt has assaulted, harassed and threatened me, my guests and possessions with weapons, death and destruction for 19 months. Randy has threatened 2 mass shootings, tortured his wife to prevent his son from testifying in court and harassed the community until one of them (Lisa Hamlin) violently assaulted my 80 year old landlord in a Bridgewater courthouse waiting room. Lisa was yelling for Randy to be indicted for his "year long war" in July of 2021. Randy and another tenant spent 3 months trying to kill me, costing me the use of my right hand, from August to Dec 2021.

This is SIRT 6 - Randy spent 2 weeks trying to kill me again, after my last visit from the RCMP, from Feb 22nd to March 5th 2022.

The Liverpool Detachment of the RCMP has these interactions with me that I'm aware of

Only 1 of those, Sept 2019, pertains to my sex trafficking, abduction, rape and murder. The other 7 are Randy Wambolt and the RCMP's refusal to document what I say is happening to me.

This is the 8th time, the 8th escalation in the violence, please have RCMP Major Crimes get involved. The Liverpool Detachment is simply waiting for me to die. My landlords are waiting for me to die. The property owner is waiting for me to die. No one is doing a thing - hoping I die before the media gets involved.

As explained in countless documents, Randy Wambolt cut all the insulation off my apartment in September, screaming at me for months that he didn't care if my pipes froze or not. I am under a constant assault - being made to fear for my life and safety since Sept 2020. My landlords have testified in court that Randy has assaulted tenants in this manner for 11 years.

My pipes froze Jan 10th 2022 and my landlords refused to call a plumber. Randy was given permission, against my wishes, to access under my apartment and utilities. I asked my landlords to call a real plumber every 2-3 days for the 17 days I went without water in January of 2022. It still rains in my exterior kitchen wall because Randy is not a plumber.

From Jan 27th to Feb 22nd Randy and Wayne regularly shut off my water and power to my hot water. Randy is listed in court documents and testimony as harassing tenants in this manner for 11 years. Randy yells, both men swear and threaten me every time I enter or exit the property; every time they go past my apartment. They built a cage out of garbage and filled it with garbage so I have no where to go. They smash or remove the light outside my apartment so I enter and exit in the dark - where men are waiting for me with weapons. I am being made to fear for my life and safety every day - day and night.

As explained in SIRT 5 - On Feb 13th and Feb 22nd, my family and local politicians sent the RCMP to my home for wellness checks. They went poorly.

Beginning Feb 22nd, Randy re-started the attempt on my life.

From July 23rd 2021 to Dec 2021 Randy charged out of his apartment, or off the porch, every time I entered or exited my apartment or property. He charged at me in the driveway, brandishing

everything from screwdrivers to a chainsaw. He was screaming his plan to trigger my seizures and kill me because "I (Randy) don't want to fucking wait for your fucking seizures. I want you fucking dead right fucking now." Randy screamed at me for 3 months to "just fucking kill yourself.", "If I (Randy) knew I was sick, knew I was dying, I'd just blow my fucking head off."

Randy and Wayne have started it all up again.

Randy charging at me with weapons, screaming he knows the RCMP came (Feb 13th, 22nd) because I'm going to kill myself. Randy charging at me with weapons, screaming his plan to trigger my seizures and kill me. Randy screaming at me to kill myself.

I've seen and heard Randy convincing Wayne that I called the RCMP on him (Wayne) on Feb 13th and 22nd. Wayne has been coming at me day and night ever since. Swearing, threatening, blaring music day and night, sabotaging the lighting outside my apartment, sabotaging my water and power.

Randy and Wayne have done \$10,000 in damages, or more, to my apartment in January and February. I went without water for 17 days in January while untold damage was done to the exterior kitchen wall and under my apartment. I can still hear water running in the walls when my upstairs neighbor uses his water - the repairs under my apartment were done that poorly.

For the 2 weeks (Feb 22nd to March 5th) that Randy re-started trying to kill me again - he and Wayne shut off my water more than a dozen times. They damage the copper pipes every time they bend them and bend them back to access the valves. Randy and Wayne have shut off the power to my hot water more than 2 dozen times in that same 2 weeks. I'm being attacked, day and night, by Randy and Wayne, Randy screaming his plan to kill me, while they sabotage my water and power as often as 4 times a day.

The combination of these events caused my pipes to freeze for 8 days between Feb 22nd and March 5th. The resulting back-pressure due to Randy's 'repair' has caused it to rain in my apartment on all 8 days. There is an 8 foot section of my ceiling falling in. It rains in my closet from my upstairs neighbor when he uses too much water - or when my pipes freeze. The water damage from just this 2 week period has eroded a hole through my bathroom exterior wall - I can see and touch the exterior siding. There's some kind of dark brown liquid bleeding through my ceiling from the water damage. There's some kind of black mold growing through the walls in my bathroom from the water damage.

Sometime after March 5th, Randy and Wayne added a 4ft high sign to the cage built of garbage outside my apartment. The sign threatens me with physical violence if I am seen taking pictures of the violence in our building again.

Please send RCMP Major Crimes - I can't contact the local RCMP due to the hostility, humiliation and rampant intimidation they use to conceal what 'the welfare frauds' are doing to each other. I am not on welfare.

Please do something to help me - or stop coming to my home. It only frenzies the residents.

Jeffrey Ohrt
